

AWEC LEARNING EXPERIENCE: RISK ASSESSMENT MATRIX

LOW	MEDIUM	HIGH
<p><i>These are minor risks. Their effects can be felt, but are not critical to the outcome. The best path forward is to adapt to these risks before proceeding.</i></p>	<p><i>These are moderate risks. They can have a serious impact on business operations. It is important to have a plan for transferring or mitigating these risks before proceeding.</i></p>	<p><i>These are major risks. They expose the business to significant threats. These risks need to be swiftly addressed and eliminated before proceeding.</i></p>
